

Dear Friends,

The XIII North American Zoroastrian Congress is only six months away and the "Early Bird" registration dead line is June 30, 2004.

Please visit the congress website <http://www.zanc.org/congress> . It has all the necessary information and forms for on-line or off-line registration, that you can download, plus program highlights.

Information on how to make reservations at the Doubletree Hotel in San Jose, where the congress is being held, is also available on our website. If you need hard copies of these forms please let us know.

We will be grateful if you can also forward this e-mail to your Zoroastrian friends within North America, particularly to those who live away from the main Zoroastrian Centers and who may not have heard about the Congress.

We thank you for your support and hope to see you at the Congress
