

## **Second Annual Persian Parade**

Dear all,

The Second Annual Parade **is scheduled for March 20th, 2005** starting at **12 Noon** sharp. The formation of the Groups & Floats will commence at **10 AM** and **the formation will be completed by 11 AM**. Those arriving after that time will find it difficult to join the right group. Our group will meet at the Southwest Corner of Park Avenue and 41st Street. The Parade route for the march is on **Madison Avenue (starting on 41st towards 27th Street)** in **New York City**. The festivity will include jovial music, floats, dancing, marching bands, amongst many more attractions.

Last year we had almost 80 ZOROASTRIANS walking in the Parade, some of whom came from as far away as Washington DC and we also had a benefit of a visitor from India joining our group. As we have to submit a list of people joining the group, please send me your name & contact #s if you wish to join the parade. This will facilitate for you to cross the police barrier when joining the group. Please send me the details ASAP. Let us join in large numbers, as 20th March is the actual date of EQUINOX this year. I look forward to your participation for a historical day of celebration.

Homi D. Gandhi, President
