

Zoroastrian Youth Camp

Fellow Zarathusti leaders of the New England/Atlantic area,

Each year ZAGNY has been fortunate in holding IVY GANDHI Zoroastrian Youth Camp in New York area through the good and untiring efforts of dedicated Zarathustis in our area under the leadership of Homi Byramji, to whom I have cced this message as well. We thought of holding this year's camp together with our neighboring community members and therefore would like you to consider whether it is feasible, possible from the point of the youth in your area. If it is, please indicate time, place etc. where it could be held. From Zagny's point of view, our last Sunday class is on 6th June. After that the next communal event is picnic on 8th August, 1st Gatha prayers on 15th August, and Shahenshahi New Year celebration on 21st August. So from ZAGNY's point of view, after the closing of schools in our area (last week of June) to the 1st weekend of August should be ideal time.

Please respond to this email ASAP. For the past Youth Camp experience operations and details, please write directly to Homi Byramji.

Thanks,

Homi D. Gandhi,
President, ZAGNY
